**About Versus Systems**

Versus Systems Inc. has developed a proprietary prizing and promotions engine that allows publishers, developers, and creators of streaming media, live events, broadcast TV, games, apps, and other content to offer real world prizes inside their content. Audiences can choose from among the offered prizes and then complete in-game or in-app challenges to win the prizes. The Versus platform can be integrated into streaming media, TV, mobile, console, and PC games, as well as mobile apps.
