**FOR IMMEDIATE RELEASE**

**Versus Systems Powers Fan Engagement Experience for the NHL's Anaheim Ducks**

*Versus' XEO technology enables the Flying V Experience at Honda Center in Anaheim, CA*

LOS ANGELES, October 28, 2021 -- Versus Systems Inc. ("Versus" or the "Company") (Nasdaq: VS) announced today that the company is powering the interactive in-venue fan engagement experience for the National Hockey League's Anaheim Ducks at the team's home games at Honda Center in Anaheim, CA. The Ducks renewed their partnership with Versus to use the XEO platform, as well as the company's professional services, for the 2021-22 season and the 2022-23 season.

The Ducks are making their home games even more fun and engaging in 2021 and beyond for the Ducks faithful by adding Versus fan engagement technology during every game at the Honda Center. The Ducks' industry-leading live event production and bespoke XEO platform power the innovative "Flying V Experience" presented by Cox at Ducks home games. Using Versus technology, Ducks fans can enjoy interactive games and in-venue experiences before, during, and after the game, both on their mobile devices and through the main video board displays that play over the ice in front of tens of thousands of Ducks fans every week throughout the season.

"We are thrilled to work with the Anaheim Ducks to enhance the in-stadium experience at Honda Center and make their home games more engaging and rewarding for Ducks fans. Versus is proud to work with the world's most exciting teams, leagues, and live events to bring interactivity, engagement, and real-world rewards to fans all across the globe. We are looking forward to making Ducks home games even more fun for their fans this year, and in the years to come," said Matthew Pierce, Founder and CEO of Versus Systems.

**About Versus Systems**

**About Anaheim Ducks**

The Anaheim Ducks were born in 1992 and played their first-ever game on Oct. 8, 1993 at Honda Center (then Arrowhead Pond of Anaheim). One of 32 NHL franchises located throughout the United States and Canada, the Ducks have played to over 90% capacity crowds in their history at the 17,174-seat Honda Center. On June 20, 2005, the Ducks franchise was purchased by Orange County residents Henry and Susan Samuelli. By securing the first Stanley Cup championship in franchise history in 2007, the club also became the first team from California to win hockey's ultimate prize. The Ducks have reached the Conference Finals five times (2003, 2006, 2007, 2015 & 2017) and the Stanley Cup Final twice (2003 & 2007). The club has won six Pacific Divisions titles in franchise history, including five straight from 2013-17.
